

## Lauren James (Supporting Role)

**Connections:** Khari's Best Friend

**Occupation:** Doctor, Pathologist, Khari's Best Friend

**Gender:** Female

**Age:** Late 40's – Early 50's

**Ethnicity:** African American

**Height:** 5'4" - 5'6"

**Build:** Fit and attractive

**Complexion:** Any complexion

**Features:** Pretty smile, intelligent eyes

**Style:** Elegant, refined

### **Background:**

Kari's loyal and supportive best friend, Lauren, is a fierce advocate for Kari's well-being. She exudes strength and empathy, offering Kari a lifeline when she needs it most. She is a beacon of strength and intelligence. Her dedication to uncovering medical mysteries is matched only by her loyalty to Khari, whom she considers family. A steadfast friend, Lauren offers unwavering support and wisdom in times of need. Her calm demeanor hides a fierce protectiveness, willingness to go to great lengths for those she loves. A pillar of grace and compassion, Lauren navigates life's challenges with resilience and determination, her bond with Khari a testament to the power of sisterhood. However, her involvement in Kari's escape plan puts her in direct conflict with Asa, leading to tragic consequences.

### **Traits to Highlight:**

- Strong, intelligent, and compassionate.
- Dedicated pathologist with a keen eye for detail.
- Loyal and devoted friend, especially to Khari.
- Wise, calm, and composed.
- Fierce protector, willing to go to great lengths for those she loves.
- Grounded, determined, and resourceful.
- Sister-like bond with Khari, forged in love and trust.

### **Note:**

This role may require the use of foul language, violent behavior, intimate love scenes, kissing and partial nudity.
